

Seed Testing Fees - Retail Rates 2008 (all prices exclude GST)

Purity & Germination Tests	Retail Rates (*Jan-Apr) Jan 2008			Retail Rates (May-Dec) Jan 2008		
	P & G	Purity only	Germination	P & G	Purity only	Germination
All species of seed except imported seed	\$180.00	\$128.00	\$132.00	\$145.00	\$110.00	\$114.00
Field Dressed Seed			\$73.00			\$73.00
Imported Grain				\$201.00	\$157.00	\$114.00
Imported Milled Grain					\$199.00	
Imported seed except grain				\$176.00	\$139.00	\$114.00

Prices for imported seed are based on each 1kg sample.

Rates for mixtures are Purity and Germination rates as above plus one germination charge.

*The charges listed above include an industry agreed surcharge of \$35 for a purity and germination test to assist in meeting the costs of employing overseas seed analysts to work in NZ from Jan to April each year
