

APPLICATION FOR CERTIFICATION OF OVERSEAS CULTIVARS FOR MULTIPLICATION AND RE-EXPORT

AsureQuality Seed Laboratory
Lincoln University | South Drive | PO Box 6 | Lincoln University | Canterbury | Ph (03) 358 1741 | Fax (03) 325 7088

Date: _____

Name of cultivar: _____

Common name of species: _____

Botanical name of species: _____

Name and address of Breeder/Agent: _____

Name and address of NZ Agent: _____

Class to be Sown: _____

Class Harvested: _____

Ref.No's of Seed Lot: _____

Number of harvests allowed _____

The following must accompany this application:

1. A statement from the Breeder/Agent authorising the multiplication in New Zealand.
(**Note:** If OECD certification is required a letter from the Designated Authority in the country of origin agreeing to the multiplication must be obtained. The overseas agent should arrange for this authority to be forwarded to the MAF in New Zealand)
2. A brief morphological description.

Seed containers must be identified by official labels issued by the certifying authority in the country of origin.

Note: To complete application, refer to Conditions for Acceptance in the Field and Laboratory Standards booklet. This completed form along with the additional information required must be lodged with the Seed Certification Bureau by the closing date for the species concerned or within 14 days of sowing, which ever occurs first.

Checklist: have you included/arranged
